Important Documents

Absence form: used for ALL absences for rehearsals and performances outside of the school day. This can be found on the band website, copies in the band room as well.

Medical Form and Travel Forms: next week two forms will be given to students, posted on website, and emailed to verify every student's medical needs as it pertains to marching band and parent approval to travel with the band to performances.

Payment Form: this was included in the parent info packet during the spring, along with the registration form. The payment form includes the uniform items your student needs, so make sure this is turned in ASAP, as the band will receive all uniform orders in one shipment.

Registration Form: The registration form confirms your student's participation in marching and the agreement to be held accountable to the expectations of the band.

Payments

If you make a payment through the high school office, please email Mr. Wimbush to confirm that you submitted the payment and the amount. This makes it easier to keep track of what is still owed before band camp.
